# GIT SECURITY

**GIT SECURITY** has a unique approach to the market and is the premier journal in the field of security publications.

**GIT SECURITY** reaches out to end-users of security and fire protection equipment in key industries and targets all channels of distribution – from manufacturers to distributors, installers, consultants, system integrators and contractors. This approach offers marketers the opportunity to not only push products and solutions into the market but also to create a pull from the market by targeting end-users.

**GIT SECURITY's** market presence is one of the best of all safety and security magazines in the global markets, with a qualified circulation 4 issues of 20,000 copies each per year.

The high circulation numbers, in combination with a superior level of editorial quality and the journal's good reputation, are the key assets of **GIT SECURITY**. The integration of systems is crucial for our market, and **GIT SECURITY** takes this into account with its comprehensive approach to security, fire protection, and safety.

The publication deals with the diversity and complexity of safety and security topics in the 5 permanent sections of Management, Security, Information Technology, Fire Protection, and Safety. The journal speaks to decision makers by presenting market news and trends, and featuring products, companies, and applications.

We offer unique cross-media opportunities through the combination of newsletters, social media channels and the online portal **GIT-SECURITY.com**.

Plus: Our new virtual symposium series titled **Wiley Industry Talks**, which is an event platform for a cross-industry exchange in the field of safety and security.

## Data format

We accept the following data formats:  
PDF, EPS, TIFF, JPG.

## Please observe the following points:

1. Embed all text or convert it into streams.
2. Use only CMYK colours.
3. With pixel-oriented data formats, we require a resolution of at least 250 dpi.
4. Do not compress JPG files too strongly, or this will lead to visible loss of image quality. Use the "maximum" or "high" quality gradings.

## To avoid errors, please observe the following:

Send all text to be used and associated files together. Attach a hard copy/print-out to the layout check. Ensure that no RGB colours are used in any files, including the associated files. For files from programmes not intended for the creation of printed documents (e.g. Word, Excel, Powerpoint), the files must always be converted. This means inevitable changes in data and considerable additional work, which we have to add to your invoice.

- 3. Wiley will, or will instruct its affiliates to, use commercially reasonable efforts to publish the Advertising in the format and in the position as set out in the Booking Confirmation, however all Advertising is subject to editorial approval and Wiley reserves the right to vary the placement of Advertising within a print product or online site or digital product when necessary.
- 4. Wiley reserves the right at any time to refuse or withdraw from publication Advertising which is not in accordance with the specifications provided in the Booking Confirmation, these Terms or is otherwise inappropriate in Wiley's sole and reasonable discretion. Notwithstanding the foregoing, Wiley has no obligation to review or approve Advertising copy (for compliance, appropriateness, or otherwise). Wiley may publish the Advertising with a heading ‘Advertising’ or in some other manner to distinguish the advertising material from editorial material. If and to the extent that the Advertising does not conform to Wiley's then-effective production specifications, Wiley reserves the right to make technical modifications as necessary to conform to such specifications.
- 5. If Wiley is creating advertising copy on behalf of the Customer, Wiley will provide final copy for the Customer's approval by email.
- 6. Customer is solely responsible for compliance with all laws, standards, industry codes and other binding guidelines as to the content of the Advertising, whether created by Wiley on its behalf or provided to Wiley, including but not limited to all applicable medical advertising regulations.
- 7. The Customer will supply an authorised Purchase Order or Insertion Order to Wiley for Print Advertising and Online Advertising. Advertising bookings cannot be reserved without receipt of the aforementioned documents. Orders for booking of Online Advertising must be received at least 7 business days in advance of the proposed first run date. If a Customer fails to provide the Print Advertising copy for a confirmed booking by the Materials Due Date, the Customer may be charged for Print Advertising unless a cancellation has been approved by Wiley in writing. If Wiley accepts copy for the Print Advertising after the Materials Due Date, Wiley makes no representations that Print Advertising will be published and the Customer will have no claim against Wiley for credit or republication in the event of non-publication, or if the Print Advertising is published in another manner or format than as set out in the Booking Confirmation.

Any ‘impression goals’ or the like provided are non-binding. Online Advertising described in the Booking Confirmation as ‘100% sponsorships’ will not be subject to any impression or viewability guarantees.
- 12. Wiley will provide reporting at the end of the Online Advertising campaign, or otherwise as requested within a reasonable time of request, to give details of Online Advertising performance (i.e. impressions, clicks). Real time transparency of campaigns can be managed by the Customer by using Google Ad Manager.

13. Unless specifically set out in the Booking Confirmation and agreed in writing by Wiley, Online Advertising will not be behind a registration barrier. The Customer acknowledges that Online Advertising placed on Wiley Online Library will be viewable by both subscribers and non-subscribers to Wiley Online Library. For the avoidance of doubt, Print Advertising may be viewable by non-subscribers to journals or periodicals.

14. In relation to Online Advertising to be included in email alerts to subscribers and other authorised users of Wiley's products (“Email Alerts”), Wiley cannot guarantee the send date of any Email Alert advertising unless otherwise expressly agreed in the Booking Confirmation.

  - (f) Online Advertising does not create, facilitate the creation of or exploit any security vulnerabilities in a user's computer, promote programs which compensate or provide incentives to users for clicking ads or offers, performing searches, surfing websites or reading emails or contain viruses, trojan horses, worms, time bombs, cancelbots or other harmful or deleterious programming routines whether similar or dissimilar to the foregoing; and
  - (g) Customer has obtained written consent to display the name or image of any living person in any Advertising.
17. The Customer acknowledges that in relation to Advertising, Wiley makes no representation or warranty (i) that any publication of any Advertisement will be confined to persons resident in various countries (ii) of the exact number of page impressions that will be delivered, (iii) regarding the quality of reproduction of the Advertisements; or (iv) as to the availability of any Online Advertising site or digital product.
18. In addition to the Terms, the following clauses of the standard terms and conditions of the Interactive Advertising Bureau for Media Buys of Less than One Year (“[IAB Terms](#)”) will apply to all Online Advertising services, with Wiley being the ‘Media Company’ and Customer being the ‘Agency’ and ‘Advertiser’ (unless the Customer is a media agency booking advertising on behalf of a customer in which case it will be the Agency, with its customer being the Advertiser):
