

# Connect·DX

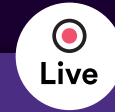

VIRTUAL TRADE SHOW APRIL 20-22

Beginning at 8:00 PDT (GMT -7)

## Keynote presentation

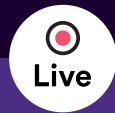

Pierre Racz  
President, Genetec Inc.

## Technology Roadmap

Christian Morin  
VP of Integrations & Cloud Services

Leon Langlais  
VP of Infrastructure Product Groups

## Cybersecurity in 2020— what you need to know

Laurent Villeneuve  
Product Marketing Manager

Mathieu Chevalier  
Lead Security Architect

## Cloud First A live panel discussion

With invited guests:

BARCLAYS

Uber

## 30+ on-demand sessions including:

Technology discussions

Expert panels and customer interviews

Features addressing emerging challenges

Technical training on latest releases

Be sure to visit and chat with our sponsors in their virtual booths

## MONDAY APRIL 20<sup>TH</sup> / TUESDAY APRIL 21<sup>ST</sup>

Beginning at 8:00 PDT (GMT -7)

North American Agenda *Sessions available in EN, FR, ES and PT	Timezone					
	PDT (GMT-7) Los Angeles, CA	EDT (GMT-4) New York, NY	GMT	GST (GMT +4) Dubai, UAE	SGT (GMT +8) Singapore	AEST (GMT +10) Melbourne, Australia
<b>Keynote:*</b> Pierre Racz, President, Genetec Inc.	8:00–9:00	11:00–12:00	15:00–16:00	19:00–20:00	23:00–24:00	1:00–2:00
<b>Genetec Technology Roadmap*</b> Christian Morin & Leon Langlais	9:10–10:10	12:10–13:10	16:10–17:10	20:10–21:10	24:10–1:10	2:10–3:10
<b>Cloud First</b> A live panel discussion With invited guests:	10:30–11:30	13:30–14:30	17:30–18:30	21:30–22:30	1:30–2:30	3:30–4:30
<b>The Evolution of Security IoT</b> 	11:30–12:15	14:30–15:15	18:30–19:15	22:30–23:15	2:30–3:15	4:30–5:15
Break - view recorded on demand sessions and visit the interactive booths	12:30–15:00	15:30–18:00	19:30–22:00	23:30–2:00	3:30–6:00	5:30–8:00
<b>Leveraging the growth of ALPR data and machine learning to improve operations</b> 	15:00–15:30	18:00–18:30	22:00–22:30	2:00–2:30	6:00–6:30	8:00–8:30
Break - view recorded on demand sessions and visit the interactive booths	15:30–16:30	18:30–19:30	22:30–23:30	2:30–3:30	6:30–7:30	8:30–9:30

International Agenda	Timezone								
	Eastern (GMT-4)	Australia (GMT +10)	Korea/ Japan (GMT +9)	Singapore/ China (GMT +8)	Thailand (GMT +7)	India (GMT +5.5)	Dubai (GMT +4)	Paris (GMT +2)	Pacific (GMT -7)
<b>Helping customers face new challenges in a disrupted environment – Latin America (EN, PT, ES)</b> Regional panel (EN, PT, ES) (GMT 19:30)	15:30–16:30	5:30–6:30	4:30–5:30	3:30–4:30	2:30–3:30	1:00–2:00	23:30–0:30	21:30–22:30	12:30–13:30
Break - view recorded on demand sessions and visit the interactive booths	16:30–21:00	6:30–11:00	5:30–10:00	4:30–9:00	3:30–8:00	2:00–6:30	0:30–5:00	22:30–3:00	13:30–18:00
<b>Keynote: Pierre Racz, President, Genetec Inc. Asia Pacific Timezone (KO &amp; JP)</b> Live Q&A (EN) (GMT 1:00)	21:00–22:00	11:00–12:00	10:00–11:00	9:00–10:00	8:00–9:00	6:30–7:30	5:00–6:00	3:00–4:00	18:00–19:00
<b>Genetec Technology Roadmap - Asia Pacific Timezone (KO &amp; JP)</b> Christian Morin & Leon Langlais Live Q&A (EN) (GMT 2:30)	22:30–23:30	12:30–13:30	11:30–12:30	10:30–11:30	9:30–10:30	8:00–9:00	6:30–7:30	4:30–5:30	19:30–20:30

## ON-DEMAND SESSIONS (AVAILABLE AT ALL TIMES)

Track	Session title	Language	Track	Session title	Language
Expert interviews	Expert panel: The future of cities with Intel and San Diego	EN, FR, ES, PT	Product 101	Evolving communications: Sipelia and public address	EN, FR, ES, PT, JP, KO
Expert interviews	Airport expert panel: Advancements in airport technology	EN, FR, ES, PT	Product 101	Intrusion Panels 101: Intrusion is everywhere	EN, FR, ES, PT
Expert interviews	Expert panel: How to drive operational value in energy market	EN, FR, ES, PT, JP	Product 101	Expand your security system through the Genetec ecosystem	EN, FR, ES, PT
Expert interviews	Expert panel: Managing supply chain risk in power utilities	EN, FR, ES, PT	Product 101	Standardizing your security operations across time and locations	EN, FR, ES, PT
Expert interviews	Cannabis expert panel with MedMen	EN, FR, ES, PT	Product 101	From alarms to qualified incidents with Mission Control	EN
Expert interviews	Expert panel with BYU: How to keep students safe in today's reality	EN, FR, ES, PT	Product 101	Video analytics 101: Discover the potential of your data	EN, FR, ES, PT, JP, KO
Expert interviews	Banking interview with Capital One	EN, FR, ES, PT	Product 101	Get Cozy with the Cloud: Stratocast 101	EN, FR, ES, PT
Expert interviews	Transit Expert panel: A secure commute from the fleets to the wayside	EN, FR, ES, PT	Product 101	Unification: a platform approach to security	EN, FR, ES, PT, JP
Helping organisations respond to crises	Using Genetec remote services to secure business continuity	EN, FR, ES, PT	Product 101	Omnicast introduction: Working smarter with video	EN, FR, ES, PT, JP, KO, Thai
Helping organisations respond to crises	Responding to contact tracing requests	EN, FR, ES, PT	Product 101	Cybersecurity fundamentals	EN, FR, ES, PT
Helping organisations respond to crises	Securing customers' empty facilities	EN, FR, ES, PT	Technology trends	Enhance efficiency and convenience by bringing in building automation	EN, FR, ES, PT
Helping organisations respond to crises	Collect and manage digital evidence, wherever you need to be	EN, FR, ES, PT, KO	Technology trends	The journey from selling ALPR to curb management	EN, FR, ES, PT
Product training	Setting up automated and guided response with Mission Control	EN, FR, ES, PT, KO	Technology trends	Leveraging the growth of ALPR data & machine learning	EN, FR, ES, PT
Product training	Navigating dynamic SOPs in a crisis with Mission Control	EN, FR, ES, PT, KO	Technology trends	Better manage and secure your unmanned infrastructure	EN, FR, ES, PT
Product training	Protecting video integrity with Video Watermarking	EN, FR, ES, PT, KO	Technology trends	Demystifying three-tier architecture in Access Control	EN, FR, ES, PT, JP, KO
Product training	Reporting and understanding data in Security Desk	EN, FR, ES, PT	Technology trends	Streamvault: Pre-hardened & validated appliances powered by Dell	EN, FR, ES, PT, KO, Thai
Product training	Remote security monitoring with the Web Client and Genetec Mobile	EN, FR, ES, PT	Technology trends	Addressing banking and financial trends and challenges	EN, FR, ES, PT
Product training	Unlocking the full potential of the Monitoring Task	EN
